Digital Strategy Tools for Ministry Outreach

Over 60% of the world is on online. Every hour over 25,000 people get online for the first time in their lives. We want to make sure that when these people get online they meet Jesus there. Digital strategy tools enable you to multiply your efforts as you make Christ known in communities where He is least known.

Join us as we learn together:

- What is a digital strategy?
- Why is digital strategy important?
- What are some tools to use in a digital strategy?
- How can we get started?
